Dover District Lotto was created in 2019 by Dover District Council.

Set up to support community projects in the local area, Dover District Lotto operates on the principle of raising money within the community for the community.

In a time of shrinking budgets and increased community need, Dover District Lotto enables people to support the causes they care most about, helping good causes to connect with their supporters.

A ticket for Dover District Lotto costs £1 a week and 60p will go directly to good causes!
